They take requests and will play almost anything (if they know about half of it!)

Based in the Twin Cities of Minnesota, Legacy has been playing Celtic traditional tunes and pub-style songs in a way that sets it apart from other bands. Sister Tree 5:30 to 8:30

Sister Tree renders radiant, expansive harmonies for strings and voices, and kick it back with old favorites and downright far-fetched selections grounded in Celtic and Americana Traditions. Roving over the wild and storied landscapes of life, they envibe with the rhythms of sugarplums dropped in the forest. From lilt to throttle, they are Gaia's sirens atop the scrape of a mountain ridge, awash in an avalanche of symbiotic energies hauled up from the bones of earth to the starlight.
